CLAIMS TRIGGERS

EXTORTION: The head of a wealthy family in Mexico City received several calls demanding the disclosure of business details and a US\$1m payment, or the extortionists threatened to release information about the company and kidnap his eight year old daughter.

CYBER EXTORTION: The computer systems of a financial services company were infected with malware which was uploaded using USB devices. The extortionists threatened to publish sensitive information relating to the CEO's clients unless he provided a multi-million dollar ransom.

KIDNAP: Abduction of two employees of an international construction company in Nigeria despite the precaution of a police escort. The kidnappers demanded NGN100m (US\$623k) for their release.

HEADLINES

EXPERIENCE: Global underwriting team with over 45 years' K&R experience.

KNOWLEDGE: Our deeply experienced team recognises the broad range of evolving threats clients face, such as kidnap and ransom and a wide range of extortion types.

RISK PREVENTION: All clients receive complimentary and tailor made risk prevention services.

DUTY OF CARE: Clients receive information and training at all levels of their organisation, either online or face to face - helping them meet their duty of care obligations.

GUARANTEED RESPONSE: Clients get a guaranteed response from NYA International (our preferred crisis consultancy) if an incident does occur.

CRISIS RESPONSE: Largest crisis response team in the industry, strategically positioned across the globe, NYA quickly deploy consultants with regional and cultural understanding to an incident location.

EVACUATION: With seven assistance centres, AIG Travel provides corporate evacuation capabilities and support worldwide.

SINGLE INSURER: Our ability to offer a single insurer solution across multiple business lines, enables clients to benefit from cost savings, coordinated cover and a seamless claims experience.

CLAIMS: Seasoned claims specialists work in conjunction with world leading law firms to deliver sensitive support and timely loss reimbursements in complex environments across the globe.

MULTINATIONAL: Worldwide cover.
