## CLAIMS

**NON-PAYMENT/DEFAULT** on sovereign or state-owned enterprise related payment obligation.

**CONFISCATION** of investments / assets in a foreign jurisdiction.

**INABILITY** to convert currency out of the country or into hard currency.

## HEADLINES

**GLOBAL:** Foreign government's action or inaction, political uprising or currency inconvertibility. If it threatens a client's overseas property, income or assets, we can address it.

**NON-CANCELLABLE:** Policy terms for up to 15 years, with limits of up to \$150 million available for a single risk.

**GLOBAL NETWORK:** Long-established global network that today spans more than 200 countries and jurisdictions.

**ADAPTABLE COVER:** Protection against the risk of default or contract termination by sovereign and sub sovereign obligors. Cover can be adapted to apply to a variety of underlying contractual arrangements.

**HIGHER LIMITS:** Provided through coinsurance or reinsurance arrangements, we can also look at trade or non-trade coverage. Limits available in a variety of currencies.

**MULTINATIONAL:** Worldwide jurisdiction.

**FLEXIBILITY:** Structure coverage to meet customer's unique exposures and geographical position. For banks we are able to provide capital relief with a Basel III compliant non-payment policy.

**AIG EXPERTISE:** Proven record of providing political risk insurance, consistently, for nearly four decades, including paying claims in over 50 countries and helping our clients make recoveries.
