CLAIMS SCENARIOS

ARCHITECT: An architect designs a building incorrectly, which results in increased costs to the building's owner.

SOLICITOR: A solicitor gives incorrect professional advice on a house purchase, resulting in financial loss to the buyer or seller who had relied upon the solicitor's counsel.

ACCOUNTANT: An accountant provides inaccurate tax advice, which results in financial loss to a business or individual.

HEADLINES

RANGE OF PROFESSIONS: Bespoke coverage for many types of professions/companies and our underwriting expertise means that we can offer a professional indemnity solution for a wide range of professional occupations from Accountants, Architects and Engineers, to Media, Technology and Telecommunications companies.

RISKS OF ALL SIZES: All sizes and types of risk are considered, ranging from sole practitioners to very large and complex international risks.

PRIMARY OR EXCESS: Primary or Excess across most professions will be considered.

CLAIMS EXPERTISE: Policies are underpinned by the skill, expertise and reassurance provided by our specialist PI claims teams who work closely with our clients to minimise potential disruption and help protect our clients' financial interests and professional reputation.

BESPOKE SOLUTIONS: Coverage can be tailored to suit individual clients' specific needs.

CAPACITY: Policy wording reflects the wide range of activities undertaken by companies and we are able to offer significant levels of capacity.

MULTINATIONAL: Any geography and territory. We have widespread multinational expertise and able to provide local AIG PI policies in many territories.

SINGLE PROJECT PROFESSIONAL INDEMNITY: Leading provider of long-term Single Project Construction Professional Indemnity.

WORLDWIDE EXPERTISE: Provide locally admitted insurance policies in over 200 countries. Our Passport program is a unique multinational platform designed to efficiently address Professional Indemnity exposures across those borders.
